NUMBER 4.

Mr. Harriet M. Frost is sick.

Mr. E. Smith has been at Bangor and

Angus on business.

There is talk of organizing a large

party to go to the Quebec carnival next

week.

Lawson G. Frost came from Boston,

the first of the week, to see his mother,

Mrs. Harriet M. Frost.

There are some

Smart Boys and Girls

Growing up and going to school, in this

vicinity. We want to hear from them, in

response to the offer made in our

column, today. We don't impose conditions

on the writers of these contributions

descriptive of the schools in their towns or

phases, but have each one free to do

what he or she pleases. We hope to hear

from a number.

The Norway high school will have two

entertainments this winter for the

purpose of raising funds for laboratory

work. The lectures by Mr. Swift, the

pupils will give an original entertainment.

The interest in the union meetings is

unabated, and they are very successful,

thus far. Sunday evening, the doors

of the church were thronged, and the

congregation was very large. The

entertainment was given by the

congregation, and was very successful.

Editor Charles E. Waterman of the

Mechanic Falls Ledger was in town,

and was a most interesting visitor.
